

Press Release - Student achievements

Students across Stevenage have worked incredibly hard this year to achieve success in their examinations. We are all very proud of them.

Stevenage Headteachers will not be publishing overall statistics, but are instead celebrating individual students' achievements.

The Thomas Alleyne Academy are celebrating the results of their students' hard work today with some excellent results. Headteacher, Melanie Cook, said "It has been lovely to celebrate a fantastic set of results with our students today. We are delighted with their achievements and proud of the hard work they put into preparing for their exams. We wish our students all the best in their next steps and look forward to welcoming many back to Thomas Alleyne's sixth form in September as they begin their A level studies."

Marcia was "extremely happy" today achieving straight 9's across all of her GCSEs. She expressed how "proud" she is and is so grateful for the support from all her teachers over the past 5 years. She is excited to begin her A' level studies at Thomas Alleyne sixth form in September to study Chemistry, Biology and Maths.

Ethan is so excited to be staying at Thomas Alleyne Sixth form to study Maths, Physics, Chemistry and Further Maths. He said it was "such a relief" opening his results and he is particularly happy with his grade 9's in Biology, Chemistry and Physics and his 8 in Maths.

Genuine surprise from Jessica today opening her results but incredibly “happy and really proud” to achieve a full set of 8’s and 9’s in her GCSE’s today. Jess will be studying Maths, Biology, Chemistry and Physics at Thomas Alleyne Sixth form in September.

Theo was really “happy” opening his results today and “in particular with the 9’s” in Biology, Maths and Further maths 8’s in Geography, Computer Science and Physics not to mention his distinction in Creative i-media”. He is thrilled to be starting at Thomas Alleyne Academy Sixth form in September to study Maths, Physics, and Further Maths.

Summer was feeling “really good” opening her results today and was “very proud” of all her achievements, in particular her grade 9’s in maths, biology and chemistry and 8’s in Geography and Physics. Summer is really “excited” to start her A’ level studies at Thomas Alleyne academy studying Biology, Chemistry and Maths and “can’t wait” to get started.

Grace was ‘so pleased’ with her GCSE results today in particular with grade 9’s in Chemistry, English Language and Biology and 8’s in Art, Maths and English literature. She said it was ‘such a relief’ and was thankful to her teachers for all

their support. She is excited to begin her A'level studies in September to study Biology, Chemistry and Psychology.
