Thomas Alleyne Academy Celebrates A-Level and Vocational Success

FOR IMMEDIATE RELEASE

Students across Stevenage have worked incredibly hard this year to achieve success in their examinations. We are all very proud of them.

Stevenage Headteachers will not be publishing overall statistics but are instead celebrating individual students' achievements.

August 2026 – Students and staff at Thomas Alleyne Academy are celebrating today following another year of brilliant A-Level and Level 3 vocational results.

Key high achievers celebrating exceptional top-grade results and university destinations include:

- **Jack:** Earned an **A*** in Mathematics alongside **As** in Chemistry and Biology.
- **George:** Secured a **Distinction*** in Sport Studies and **As** in Biology and Maths. He now heads to **King's College London** to study **Sport and Exercise Medical Sciences**.
- **Lyla:** Achieved an **A*** in Sociology, a **Distinction*** in Psychology, and a **B** in History. She will attend **Anglia Ruskin University** to study **Primary Education with Qualified Teacher Status**.
- **Henry:** Achieved a **Distinction*** in Sport Studies alongside **Bs** in Biology and Environmental Science. He is heading to the **University of Hertfordshire** for **Environmental Management and Ecology**.

Melanie Cook, Headteacher, said:

"I could not be prouder of our students today. These results are a reflection of their dedication, ambition, and hard work over the past two years, as well as the excellent support from our teaching staff and families. Seeing our young people secure a range of positive destinations, whether university or apprenticeship, is exceptionally rewarding. We wish them every success as they take these exciting next steps into higher education and their future careers."
